32ND MEDTECH INVESTING EUROPE FORUM

*Bringing Together Innovators, Leading
Investors and Major Healthcare Corporations*

Now in its 32nd edition, The MedTech Investing Europe Forum is Europe's longest running healthcare investment and partnering event.

The forum will showcase up to 40 of the latest investment opportunities across devices, healthcare, life sciences and digital health technology. They will be joined by an audience of active investors including VCs, private equity funds, family offices, private wealth holders, major healthcare corporations, angels and more.

Alongside the presenting companies pitching for investment is an unrivalled forum programme giving first-hand insight and opinion from senior-level healthcare and life science investors and experts on how to succeed in 2022 and beyond.

Pre-arranged One-To-One meetings and extensive networking opportunities will give investors, entrepreneurs and healthcare specialists ample opportunity to identify and meet with the companies and individuals that are right for you.

32ND MEDTECH INVESTING EUROPE FORUM

RETURNING FORUM CHAIR

PROF BENOÎT DUBUIS

• Executive Director, Campus Biotech, and President, Inartis Foundation, Switzerland

Benoît brings more than 25 years of international experience in the field of life sciences, both in industry and in academic science management. He's occupied senior positions in pharmaceutical companies, including Chemap, Ciba-Geigy/Novartis and Lonza. He served as the first dean of the School of Life Sciences at the EPFL and co-founded Ecllosion, the first Swiss Life Sciences seed fund and incubator as well as a range of different healthcare companies.

OVER 1000 COMPANIES OVER THE LAST 31 EVENTS

Having showcased in excess of 1000 companies over the last 31 events, we have covered some of the most diverse areas of the healthcare and life science sectors. With our venture-stage companies typically looking for funding between €1m to €30m, they will cover a range of development stages including:

- Pre-Clinical Development
- Pre-Clinical Trials
- Ongoing Clinical Trials
- Early Commercialisation
- Commercialised Product
- International Expansion

THE MTI PRESENTING COMPANIES ARE REVOLUTIONISING AREAS OF HEALTHCARE AND LIFE SCIENCES INCLUDING:

- | | | | |
|-----------------|--------------------|-------------------|--------------------|
| Aesthetics | Dermatology | Health | Pharmaceuticals |
| Anaesthesiology | Diagnostics | Mobile Technology | Plastic Surgery |
| Assisted Living | Digital Healthcare | Nano-Technology | Psychiatry |
| Bio-Technology | Gastroenterology | Neurology | Rehabilitation |
| Cardiovascular | Geriatrics | Oncology | Surgery |
| Cosmetics | Imaging | Ophthalmology | Surgical Adhesives |
| Dentistry | MedTech | Orthopaedics | Tissue Engineering |
| | | Pathology | Urology |

No other platform brings together such a comprehensive range of investment opportunities, all in one place, allowing investors of all types to discover first-hand those that will fit with their portfolio and be their next success story.

These previous presenting companies are just an example of the type of ground-breaking investment opportunities available to investors at MTI 2022. All the Presenting Companies and their details will be made available to registered delegates.

Further Together

32ND MEDTECH INVESTING EUROPE FORUM

REASONS TO ATTEND

- 1** Understand how investors are deploying capital in the healthcare arena
- 2** Identify the innovative new technologies driving the sector forward
- 3** Hear the latest strategies to turn venture-stage companies into world-beaters
- 4** Uncover the latest strategies employed by family offices and UHNW investors
- 5** Meet successful founders and entrepreneurs who have already taken their firms to exit
- 6** Explore the future of healthcare and what the next 10 years has in store

ONE-TO-ONE MEETINGS

Tailor your forum experience via the event app and networking tools. Identify the investors and companies right for you and book private one-to-one meetings in the dedicated time slots across the 2 days.

FORUM COCKTAIL RECEPTION

Taking place at the close of Day 1 of the forum, continue to build and extend valuable relationships with cutting-edge entrepreneurs and active investors across the healthcare and life science spectrum.

PRESENTING COMPANY PRESENTATIONS

Uncover cutting-edge investment opportunities in the very latest technologies and companies. Spend time with some of the world's most ambitious entrepreneurs revolutionising the healthcare and life science sectors.

GLOBAL VIRTUAL FORUM

Following the in-person forum, just 8 days later, all participants will be able to attend the virtual forum online. Condensed into one day on 21 July, global participants will have access to presenting company presentations and featured presentations from selected speakers.
