## When it comes to fund selection, do you or your company consider ESG factors?

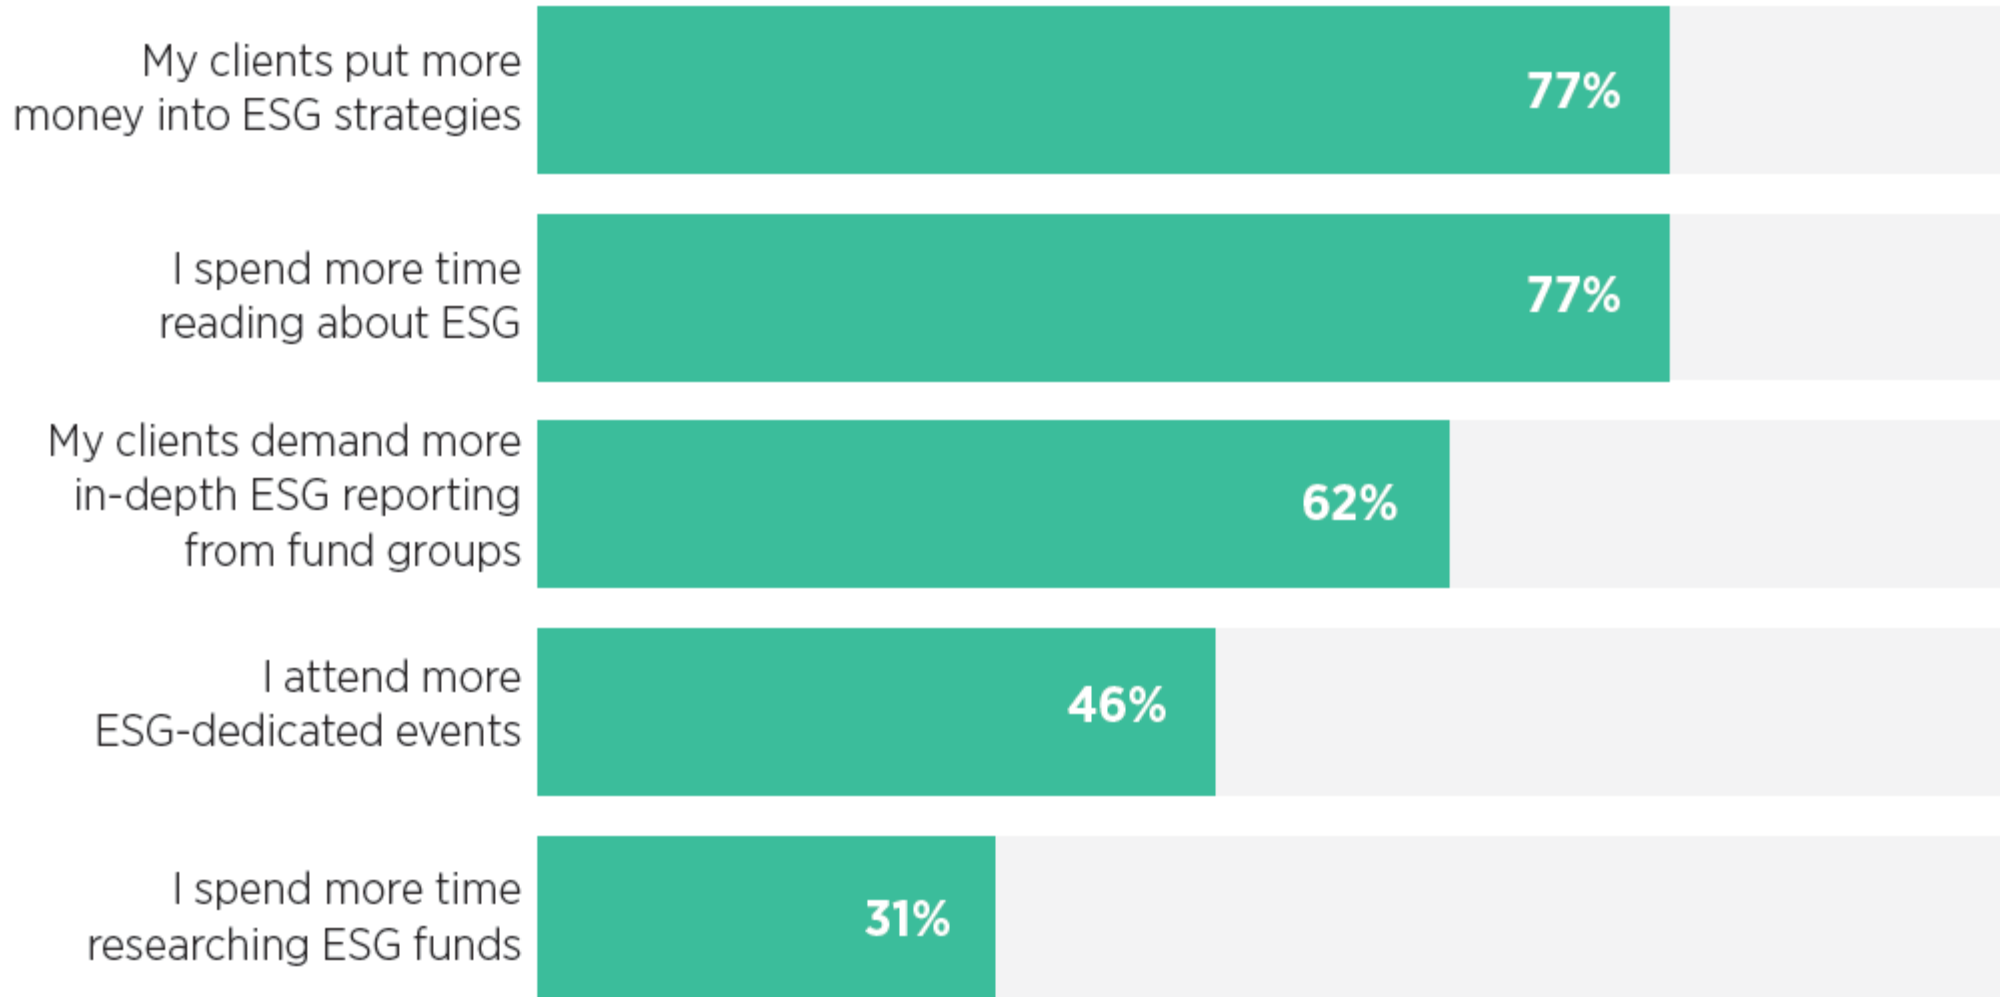

US

● Yes - for every portfolio ● If a client requests it ● No

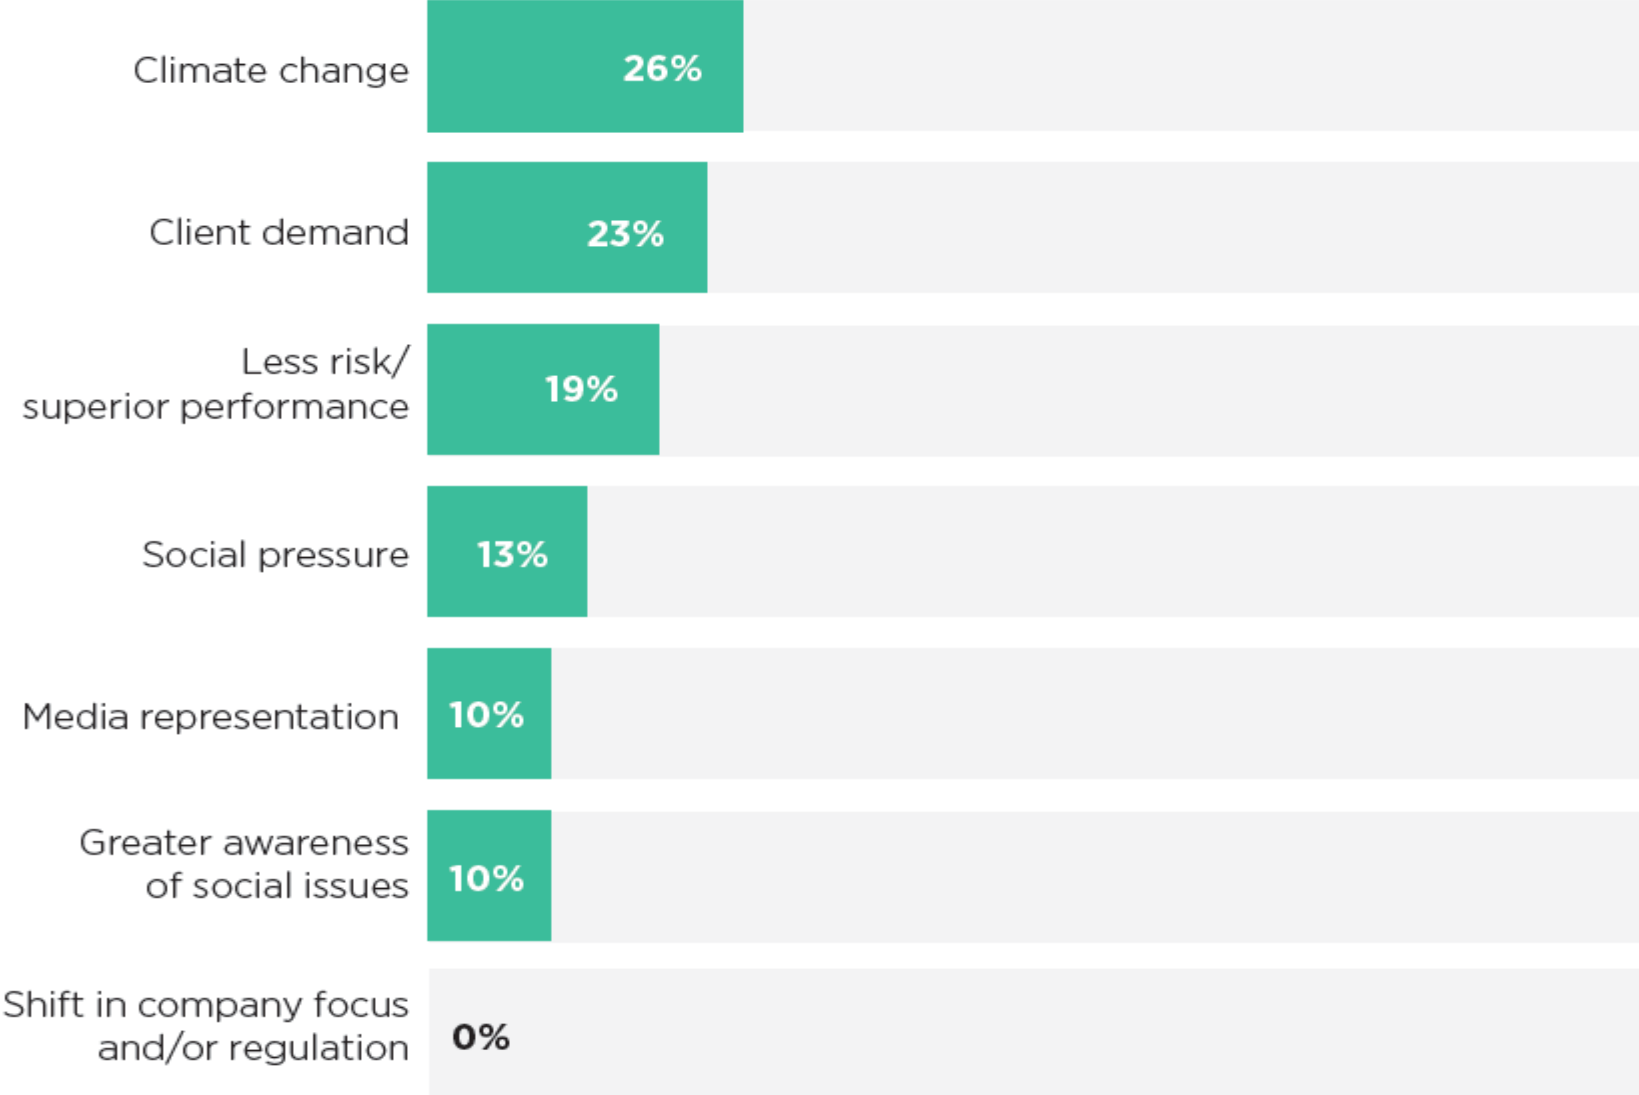

## Relative to three years ago...?

### US

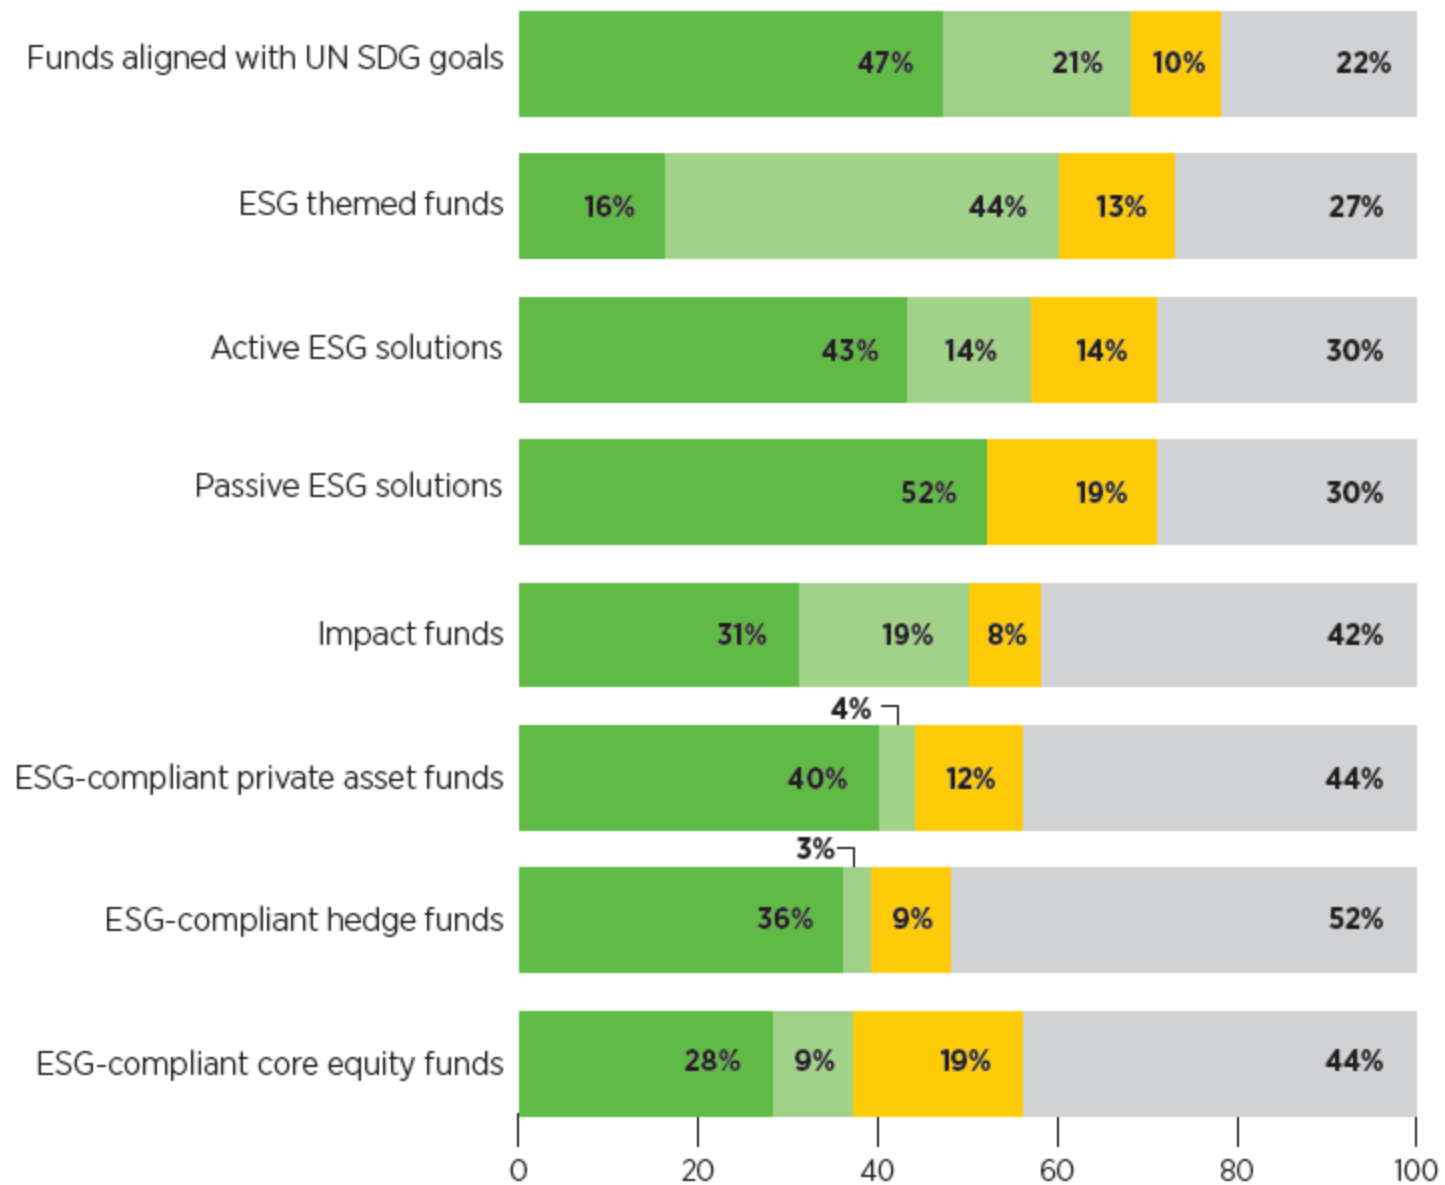

## Reasons for surge in ESG interest

## How do you expect your allocation to ESG funds to change over the next 12 months?

● Increase strongly ● Increase ● Maintain ● Reduce ● Have zero exposure

## Where do you see not enough choice for ESG funds?
