

10th Annual Nationally Significant Infrastructure Projects Forum

1 - 2 March 2022 | London

The Nationally Significant Infrastructure Projects Forum is an essential update on major infrastructure planning. It brings together promoters, government, statutory consultees, local authorities and major infrastructure planning professionals to hear practical guidance and the latest case studies on how to complete pre-application, progress through examination and move towards construction.

Benefits of sponsoring:

- Showcase your expert insight and industry knowledge to 200 + attendees – including an audience of engaged promoters looking for support with their scheme
- Increase your visibility in major infrastructure and NSIP planning with branding options that will ensure your company is promoted both in the lead up and at the event
- Stand out from your competitors with an enhanced profile at the recognised, leading NSIP event - now in its 10th year

We offer a range of different sponsorship packages that can all be tailored to meet your current objectives. All of our packages provide you pre and post event benefits in addition to your visibility on the day

Thought leadership

- **Bespoke speaking session on the agenda** – agreed in advance with conference producer
- **Brand visibility** – company logo included on all conference marketing and event website, listed as a speaker on website and biography included
- **Promotion across social media channels** – including opportunity to record video content that will be used pre and post event
- **Share your expertise** and increase engagement with written thought leadership pieces or video content released ahead of the event
- **Places to attend the conference**
- **25% discount on additional places** for colleagues and contacts

Branding and visibility

- **Brand visibility** – company logo included on all conference marketing and event website
- **Promotion of your involvement** across social media channels
- **Exhibition stand** – with our hybrid event format promote your services to both in person attendees and virtual attendees
- **Network and connect with anyone who is attending** – arrange 1:1 meetings to show case your services, send chat messages to those at the event and joining virtually
- **Marketing collateral** – provide marketing collateral or branded materials to be displayed at the event
- **Places to attend the conference**
