Reinventing Higher Education for a Sustainable Future

Barcelona • 18-20 May 2022
Reshaping ideas and practices in higher education to ensure sustainable development for the planet and humanity

LEAVING NO ONE BEHIND

1. Opening the door to new, innovative, creative and visionary models of higher education

2. Highlight higher education opportunities and priorities in the upcoming decade

3. Anticipate and prepare youth for their role in tomorrow’s society

4. Pave the way for a future learning community that is inclusive of all lifelong learners

5. Define and prepare the roadmap for a new era of higher education systems: HED 2030 Roadmap
A global conversation on higher education

- **Disruptive and innovative**
  Continuous participation process to achieve the Conference milestones (pre-Conference and post-Conference)

- **Worldwide reach**
  Representation and participation from all regions

- **Inclusive**
  Governmental and intergovernmental organizations, international networks, universities, NGOs, private sector, etc.

- **Youth engagement and empowerment**
  A special strategy to involve, empower and inspire youth
Recognition of youth as game-changers for HED futures

A global intergenerational conversation

**Empower**
Youth by leaving no one behind, giving access to our platform to youth from all walks of life, all over the world and especially to our e-learning programme

**Inspire**
Youth and the higher education community in designing visions of the planet and humanity, where HED can take its roots

**Involve**
Youth in a co-building process with policy-makers, integrating their concerns in the political debate and through concrete actions
Joining forces for a collaborative process towards HED futures
Leaving no one behind
